DECLARATION OF CONFORMITY

DATA: 04/06/2018
REV.: 9

Product: SOLENOID PUMPS

Fluid-o-Tech S.r.l. declares under its own responsibility that all the solenoid pumps manufactured comply with the safety requirements for the use they are designed for, provided that the normal operating conditions indicated in the instruction sheet attached to the product are respected.

We furthermore declare that the solenoid pumps satisfy the requirements of the following Directives for the member states' legislations approaching:

- *Directive 2014/30/ EU of the European Parliament and of the Council, of 26th February 2014, related to the Electromagnetic Compatibility – EMC.*
- *Directive 2014/35/ EU of the European Parliament and of the Council, of 26th February 2014, related to the electric material intended to be used within specified voltage limits – DBT.*
- *Directive 2014/34/ EU of the European Parliament and of the Council, of 26th February 2014, related to equipments and protection devices intended to be used in potentially explosive environments - ATEX.*
- *Directive 2011/65/ EU of the European Parliament and of the Council, of 08 June 2011, and Delegated Directive 2015/863 of the Uropean Commission of 31st March 2015, on the restriction of the use of certain hazardous substances in electrical and electronic equipment – RoHS*

Fluid-o-Tech S.r.l. has referred to the harmonized regulations applicable to the product which the same Directives refer to.

*It is necessary to clarify that for the Directive 2014/34/EU relevant to the potentially explosive environments, the product complies with such Directive for applications in environments with characteristics **EEx II 3 G2 D22**, provided that the normal operating conditions indicated in the instruction sheet are respected.*
